Travel information

The place is quite difficult to reach: the two main options are public transport or car.

By public transportation, these are the steps:

1st Cross cutting seminar

Flight to: Bologna Airport (BLQ);

Catch shuttle from the airport to the main train station called "Bologna centrale", there are shuttles every 11 minutes: https://aerobus.bo.it/en

Catch the train from "Bologna centrale" to "Borgo Val di Taro": you'll have to change the train in "Parma". https://www.trenitalia.com/en.html

The seminar on the 10th will be at the Palafungo, Albareto (PR) that is 10 km from Borgo Val di Taro.

Apart from the public buses that connect Borgo Val di Taro to Albareto, Etifor will be there with at least one car in order to help in the local logistic.

Car rental is another option available at Bologna airport.

Accommodation

Hotels and apartments can be found in Albareto or Borgo Val di Taro using online websites (ex. Booking, ...).
